Bonnaroo announced today that Jukebox the Ghost will perform at the festival in June, playing the Café Stage. The announcement came just as the trio saw their headlining Bowery Ballroom show sell out almost two months ahead of their already announced June 22 date there. The Bowery show will celebrate the release of new album 'Safe Travels' (June 12, Yep Roc).

The band's Record Store Day 7" "I Love You Always Forever" completely sold out its limited pressing this past weekend, and is already selling for up to \$90 on eBay.
